PIGEON FORGE & THE SMOKY'S

The Club members and friends enjoyed another wonderful bus trip, this time to Pigeon Forge and the beautiful Smoky Mountains. What a fun place! So much to do in Pigeon Forge! The highlights were the Titanic Exhibition and the Smoky Mountain Opry, both much more than we expected. We had a tour guide at the Titanic which made all the difference; it was so much more realistic to have someone well educated with facts to relate the the story. We relived that day and tracked the destiny of its passengers.

The Opry, wow! what a professional performance.

We had perfect weather, breathtaking scenery, great entertainment, good food and wonderful friends! Another very successful trip! Why don't you join us next time?
