Health Plan Marketplace

1127 S. Partick Drive, Satellite Beach
321-543-3495

As I think a little bit about myself, my family and my environment, I realize what a great impact living in Satellite Beach for 50 years has had. I can't think of a better place I would rather be to raise my family and run my businesses. I was born in Buffalo, NY and when I was 11 my father got us away from the snow. We moved to Huntington Beach, California where I spent my teen years, through High School, Junior College and finally getting drafted into the Army from 1970-1972. After my service in the Army as a Medic, I soon met my first wife who had lived in Satellite Beach in her past and before too long we loaded up our 1966 VW Bus headed to Florida. I have three grown children who all graduated from Satellite Beach High, and I have four grandchildren who all live close by.

In 1973 when we moved here, I had prior experience as a Volkswagen mechanic and medic training in the Army. I applied for a job at Holmes Regional and the Foreign Car Clinic in Melbourne. FCC called me first and I had my first Florida job. In 1979 I went back to College and Graduated from Rollins College Patrick Air Force Base extension in 1982 with a degree in Business/Accounting. I purchased the shop in 1983 and am still involved there today. As the shop owner over the years, I managed to serve as: Melbourne Chamber of Commerce Board Member, Better Business Council President, Brevard County Automotive Service Association President, Florida Lemon Law Arbitration Board Technical Member, Bosch Automotive Master Technician.

In 2012 I studied and received my Florida Insurance License and have concentrated my practice to providing Health Insurance to those individuals under 65 and folks over 65 on Medicare. I have had my office at 1127 South Patrick Drive now for many years.

I am currently serving as Treasurer of the AARP Chapter 1413 of Satellite beach. I attend Calvary Chapel of Melbourne, am a member of Satellite Beach Moose Lodge 2367, Melbourne Viera Gideons International and the American Legion. I enjoy traveling, golfing, playing pickleball and spending time with my grandkids. If I can ever be of service to you, please let me know. I hope you have a great day!
