“  
After 23 years as a military spouse, my husband and I moved our family of six across the country and overseas, packing up every 2-3 years like clockwork, I learned the true value of careful planning. Today I help Brevard County's seniors protect what matters most—their family's future and their life's work.

I UNDERSTAND THAT YOUR ESTATE IS MORE THAN JUST ASSETS – IT'S A LIFETIME OF WISE DECISIONS, CHERISHED MEMORIES, AND DREAMS FOR YOUR FAMILY'S FUTURE.

**FROM THE PRESIDENT**

I'm reaching out to you with regard to one of my favorite activities that is provided to us by the Satellite Beach recreation department. It's called Spill the Beans. You have probably seen the flyer or the post on the facebook page. It takes place the second Thursday of each month at the DRS center.

If you haven't been to at least one you are, in my opinion, really missing out. Each month Becky Aud the creator of this program comes up with another great theme. She plans the games and the trivia for us.

I can fully understand how some of us can think we would not want to dress up for the theme. For instance last month was a pajama party. That is strictly a choice and not a requirement for attending. Of course there are a few of us who are just silly enough to do that and provide entertainment for everyone. Believe me we laugh at ourselves so it's perfectly fine for you to laugh at us too!

I mentioned that we have games and trivia. Sometimes the games are silly enough to make you laugh at the thought of them. It's perfectly fine if you choose not to participate but you will get a kick out of those who do! The trivia questions are always interesting and some folks choose to share their answers and some don't. Either way we always learn fun facts about the subject of the day.

So my point is simply this. Spill the Beans is a social event. It is my belief that just getting out, meeting others, learning new things, and sharing a good laugh is what keeps us young. The old saying that laughter is the best medicine has never been more accurate than the times we are living in. I believe that one laugh or just one smile a day helps us navigate the challenges that life throws our way.

All that said, I encourage you to consider joining us and I look forward to seeing you there!

Best wishes, Vicki

**FISHING**

INTRODUCING OUR NEW FISHING CHAIRPERSON: Michael J. Sands Jr. is originally from Wilmington, North Carolina. He enjoys staying active and connected in the community wherever he is. His passions include volunteering, supporting local projects, and finding practical ways to make a positive impact on the people and places around him. He values service, teamwork, and creating environments where people feel safe, supported, and included. Whether through organized efforts or simply helping where help is needed, being involved, contributing, and building strong community connections are a big part of what motivates him.

“Some of my earliest memories involve fishing on the Outer Banks of North Carolina, where my father introduced us to pier and shore fishing at a young age, a tradition I continued on the lakes of New Hampshire and later in Wilmington, N.C. When I received the call from Holmes Hospital about my Uncle Greg Wells, former chair of the fishing club, I relocated to Satellite Beach to support him during his recovery. Through that time, I came to understand how deeply the fishing club and the 55+ community meant to him and how central those connections were to his life. In that spirit, and recognizing how vital communities are for all people, I chose to step forward and volunteer as chair to help continue to provide a welcoming space for fellowship and shared experience.” Michael Sands, 910-232-7543 or mich.sandsjr@gmail.com
