55+ Club is dedicated to “SEE” Social, Education and Entertainment

A NOTE FROM THE PRESIDENT

Greetings 55+,

I hope this message finds you well! Like many of you, I’m sure we’re all looking forward to the warmer weather being here to stay.

As part of our mission – focusing on Social, Education, and Entertainment (SEE) – I’m excited to highlight the educational portion of our programming: Facts & Snacks.

Facts & Snacks takes place at the DRS Community Center, 1089 S. Patrick Dr., on the third Thursday of each month (excluding June, July, and August). This engaging program is made possible by our wonderful sponsors, who provide valuable information on a wide range of topics such as elder law, senior resources, travel, and more.

Even better, these sessions are completely free and normally include a complimentary lunch or some sort of yummy food!

Mark your calendar: On May 21st, we’ll welcome a representative from Royal Caribbean Cruises, who will share the latest updates on exciting upcoming cruise opportunities.

I encourage everyone to take advantage of these informative and enjoyable gatherings. Membership in 55+ is not required, so feel free to invite family members or friends to join you.

Programs begin promptly at 11:30 AM and last approximately one hour. Our presenters are always happy to stay afterward to answer any additional questions.

Our senior years can bring new challenges, and the more knowledge we have, the better prepared we are to navigate them. Join us for great food, wonderful fellowship, and valuable insights!

Please, Please RSVP by calling DRS at 321-773-6458. This helps our sponsors plan accordingly for food.

I look forward to seeing you there and wish you all a safe and happy summer!

Warm regards,

Vicki

BOK TOWERS TRIP

The March 3, 2026 Bok Tower trip went well! – AND there were flowers! Azaleas everywhere you turned your head. A few yellow iris's, a few magnolia blooms, and lots of camellias. All fears about the recent Florida freeze and there not being any flowers were laid to rest. Everybody enjoyed the 1930's El Retiro house tour and the live carillon concert. Food was good and good reviews on the movie.

CLEAR PLANNING.
PROTECT YOUR FAMILY,
LIVE YOUR JOURNEY.

“After 23 years as a military spouse, my husband and I moved our family of six across the country and overseas, packing up every 2-3 years like clockwork, I learned the true value of careful planning. Today I help Brevard County's seniors protect what matters most—their family's future and their life's work.

I UNDERSTAND THAT **YOUR ESTATE IS MORE THAN JUST ASSETS** – IT'S A LIFETIME OF WISE DECISIONS, CHERISHED MEMORIES, AND DREAMS FOR YOUR FAMILY'S FUTURE.

"BETWEEN THE LINES" BOOK CLUB

On April 1, 2026, the Between the Lines Book Club hosted a special video call with New York Times best-selling author Kathleen Grissom. During the discussion, she shared insights into all three of her novels: The Kitchen House, Glory over Everything, and Crow Mary.

The club selected The Kitchen House as its April read. The novel follows Lavinia, a white indentured servant, and Belle, a biracial enslaved woman, living on a Southern plantation in the decades leading up to the American Civil War. This powerful story was Grissom's debut novel.

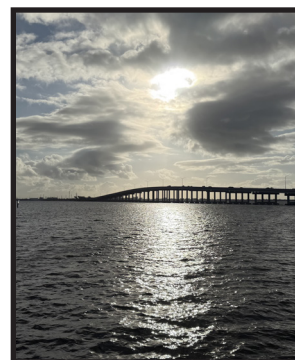

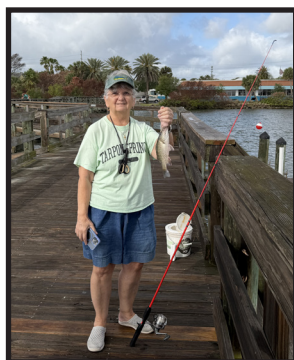

The inspiration for The Kitchen House came while the author and her husband were restoring an old plantation tavern in Virginia. During the renovation, she discovered an old map marked "Negro Hill." Unable to determine its origin, and with suggestions from local historians that it may have been tied to a tragedy, Grissom began researching. Over time, she envisioned a scene that ultimately became the book's prologue.

Her dedication to the story was extensive—spending over five years researching and another five years securing a literary agent before the book was traditionally published. Today, The Kitchen House remains a favorite among book clubs.

One particularly striking detail from her research was how isolated Southern plantations were, as well as the historical use of laudanum—an opiate commonly given to women for monthly pain. In the novel, both the plantation owner's wife and Lavinia struggle with addiction to the drug.

Club members greatly enjoyed the opportunity to discuss the book directly with the author. Looking ahead, the club's May selection is The Widow by John Grisham. The group will meet on May 6, 2026 at 12:00 PM in the kitchen of the DRS Community Center. All are welcome to join! For more information, please contact Christi at 757-332-3830/cschverak@yahoo.com

FISHING GROUP

Both new and returning members of the Fishing Club met at Nikki's Restaurant on March 19, 2026. At that meeting, members confirmed that the 2026 fishing outings would begin on April 2 at 9:00 A.M. at the public docks near Squid Lips Restaurant in Melbourne. Three members attended the Fishing outing on April 2, 2026. Of those, 2 were fishing - or should I say catching! The weather cooperated for the most part and a great time was had by all!

As a group, it was decided that we will continue our monthly scheduled meetings at Nikki's Restaurant at 1:00 P.M. on the third Thursday of each month, and our fishing outings will take place on the first Thursday. This schedule will give members time to organize their calendars and obtain any necessary fishing license or gear for the selected location.

As a reminder, we encourage everyone who wishes to participate to first become a member of the 55+ Club. For more information, please contact Fishing Club Coordinator, Michael Sands at 910-232-7543 or mich.sandsjur@gmail.com

REALLY? I DIDN'T KNOW THAT

Behind the Label

****It is unclear as to whether the namesake of Uncle Ben's Converted rice was a real person. According to the company's website, Uncle Ben was "an African American rice farmer known to rice millers in and around Houston for consistently producing the highest quality of rice." Ben's excellent reputation was recalled by Texas food broker Gordon L. Harwell when he was looking for a way to mass market his own type of rice after supplying the armed forces during World War II. As for Ben's last name, it remains unknown. The man you see on the box, however, is a separate individual altogether. That man is Frank Brown, a beloved chef and maître 'd in Chicago.**

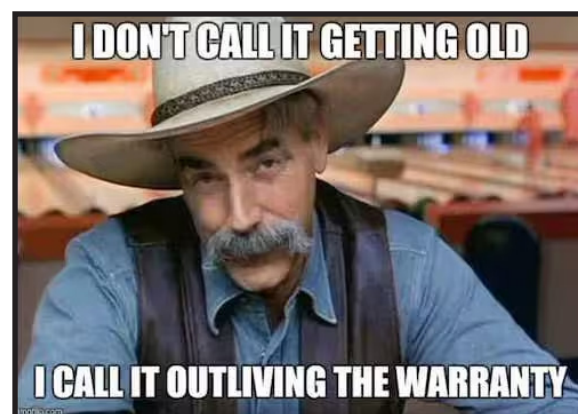

****Dave Thomas himself took the pictures of his daughter Melinda that would become the logo for Wendy's. He told his daughter to pull her hair up in pigtails and wear her blue striped dress. Upon seeing the developed pics, he knew for certain his restaurant chain and logo would be based on Wendy. In case you are wondering why the restaurant is called Wendy's instead of Melinda's, Melinda's siblings could not pronounce her name, so they just called her "Wenda". In his autobiography, Thomas revealed that he later regretted naming his restaurant after his daughter as well as using her in the logo. He felt it put her in the public eye too much, causing her undue pressure.**

****Like Dave Thomas, O. McKee took a pic of his daughter to use for his product's logo and namesake. That product was "little Debbie" Snack Cakes.**

SPILL THE BEANS

"A long time ago in a galaxy far, far away" there was a little activity called Spill the Beans. This morning social has one more celebration before the summer break. On May 14th we will be having a Star Wars Souriee. "Do or do not, there is no try" says Yoda. And we do hope you attend! There will be plenty of out of this world games, shenanigans and snacks. "It's a trap!" Admiral Ackbar exclaims, but rest assured, this part of the galaxy is safe. Until we see you - "May the Force be with You!"

Spill the Beans will resume on Thursday, September 10, 2026 at 10am in the DRS kitchen. The theme in September will be Casino Royale. Have a wonderful summer!

AROUND THE COMMUNITY

Got a pest problem with your petunias? Come talk to a master gardener! Is your mango tree making you mad? Come talk to a master gardener! Something stumping you about your sunflowers? Come talk to a master gardener! Coming to you from Brevard's UF Extension office, friendly neighborhood Master Gardeners are available for any questions you may have about local flora on the first and third Fridays of the month from 11 am to 1 pm at the Cape Canaveral Public Library. Additionally, on May 18, 2026, from 10 am to noon, a Florida Master Gardener Volunteer will be available in the Satellite Beach Library's lobby to discuss gardening question or plant problems.

Looking for a fun local event? The Brevard Ballet Youth Company is putting on a program called Paquita and the Future of Ballet at the Satellite High School Performing Arts Center on May 9, 2026 from 6 to 8 pm. It features celebrated excerpts from the classical ballet Paquita along with other selected ballet works. Tickets are \$33.85 and are available at brevardballet.com/tickets.

FASHION SHOW

Everyone enjoyed the March 26 fashion show, featuring styles from Lulu's Seaside Chic Boutique. The event was co-sponsored by member Lorine McDavitt, Realtor with HomeSmart Coastal Realty, along with the 55+ Club.

Ten club members modeled two different outfits each, showcasing a variety of looks and accessories from Lulu's. Guests were treated to cheese, chocolates, wine, and other beverages while enjoying the show, along with door prizes and a 50/50 raffle.

Attendees also had the opportunity to shop Lulu's clothing and accessories following the event, making it a fun and stylish experience for all.

PRESCRIPTION DRUG DROP BOX

The Indian Harbour Beach Police Department now offers a Prescription Drug Drop Box located in the lobby at: 1835 South Patrick Drive, Indian Harbour Beach. This drop box provides residents of Indian Harbour Beach and surrounding communities with a safe and environmentally friendly way to dispose of unused or expired medications. Proper disposal helps prevent harmful substances from entering landfills or the sewer system, where they can negatively impact the environment.

Additionally, removing unneeded prescription or over-the-counter medications from your home helps reduce the risk of accidental or intentional misuse, especially by children or others.

Residents no longer need to wait for the semi-annual National Drug Take Back Program — this drop box is available 24 hours a day, 7 days a week for your convenience.

Important Guidelines:

- Accepted: Prescription medications (must be in a container such as a pill bottle or zip-top bag)
- Not accepted: Liquids, aerosol cans, inhalers, needles, or thermometers
- Privacy: Please remove all labels from containers to protect your personal health information

This service is designed to be safe, easy, and anonymous for all users.
